**The Stage Manager Experience:**

Browns Mart is offering a special opportunity for students to get a better understanding of how a theatre production runs, by taking part in The Stage Manager Experience. The Stage Manager is one of the most important roles in every theatrical production, yet many people don't understand the important part that they play in running a show.

Students that come along to see *The Crucible* have the opportunity to shadow the Browns Mart Stage Manager. They will meet with stage manager prior to the show for a backstage tour of the theatre, including an introduction to the set and props for the show.

During the performance they will get to listen to the Stage Managers show call through the coms headset system, they will learn about the importance of a prompt copy, and how the stage manager works alongside the performers and other theatre staff.

There are only **2 spots available** for each matinee performance, so booking is essential. We encourage the student to arrive a minimum of 20 minutes prior to the commencement of the show.

Tuesday 3<sup>rd</sup> April: Arrive: 10:10am (10:30am Show)
